

# UNITING OUR COMMUNITY 2008 AWARD WINNER HALLADAY MOTORS, INC.

**TIM JOANNIDES**

Halladay Motors, Inc. has been a long standing supporter of the United Way Campaign. In fact, they are featured in our oldest scrapbook – from 1959! Halladay Motors has consistently provided support for our annual campaigns through their volunteers and their highly successful Pacesetter employee campaigns. Halladay Motors chose to be a founding partner in the very successful Car Voucher Program which has resulted in increased donations and dollars to our campaign every year since its inception. Tim and his staff are enthusiastic, positive and committed to living united.

“In Cheyenne, we haven’t experienced the economic slowdown that the rest of the nation has; our economy is so much better! This is not the time to cut back on contributions to the community. It’s at times like these that the agency and community needs for these monies are even greater, because their demands are higher. We at Halladay Motors are proud of our continuing support and have increased our contributions in our community this year.”

## ***STEWARDSHIP***

Stewardship is the ecstasy of giving the best we have to the one we love the most, because everything we have comes from God.

And that which we give is greatly multiplied and comes back to us in unexpected ways.

We give because we need the church and our communities, not because they need us!
